

Are **YOU** an Adult With Aspergers Autism PDD-NOS?

Do you ever wish research on the autism spectrum reflected
YOUR attitudes, experiences, and opinions?

You are invited to participate in an **online** research study about the experiences and attitudes of individuals on the autism spectrum. Little is known about how adults on the autism spectrum think about themselves or their experiences. Little is also known about how individuals on the autism spectrum view the diagnosis.

Your participation in this study may help advance understanding of the perceptions and experiences of adults on the autism spectrum.

To participate in this study, you need to:

- Be age 18 or older
- Have a diagnosis or identify with a diagnosis of Asperger's Syndrome, Autism, or PDD-NOS
- Be able to complete an online survey

Participation in this study includes a chance to win a
\$100 Visa Gift Card.
